Description

The run&gunBackpack Large offers room for professional cameras up to 52 cm and 20.5 inches (in length) and allows you to safely transport your camera, ready for action!

This bag has YKK® zippers with a zipper lock hole, that open the front flap. It has various pockets and slits to store and organize several smaller items like documents, memory cards, cables and tools.

The soft-padded interior includes removable dividers which make it easy to arrange the main compartment into sections to fit your requirements.

On both sides of the bag you'll find pockets for all your necessary gear. In the back of the bag a special compartment is added for laptop or tablet storage.

When you use this spacious and comfortably balanced run&gunBackpack with soft padded straps, your freedom of movement stays intact while having all your gear right there at the tip of your fingers.
